APPLYING FOR A PERMIT/LICENSE USING CITIZENSERVE

Applying for standard permits or licenses with the Lawrence Fire Department can be done by following the steps below:

1. Go to www.cityolawrence.com/permitsapplication

2. If applying for a Fire Department permit click on the extinguisher symbol above “Fire Dep. Permits”. If applying for a License click on “Licensing-All”.

3. Create an account for our Citizen Serve Portal. You will use this login to check status of permit/license, or to put in other future requests.

4. Pick correct permit or license that you are applying for. Fill out application and upload all required documentation. You will receive a notification when a member of the fire prevention team has reviewed it and if anything else is required before its issuance. The review process is not immediate so take that into consideration.
